RE: Application of New Horizons Communications Corporation Authority to Operate as a Reseller of Interexchange Telecommunication Services within the State of South Carolina and to be Regulated in Accordance with Procedures Established for Alternative Regulation in Order No. 97-1734 and 96-55 in docket No. 95-661-C
Docket No.: 2007-20-C

Dear Mr. Terreni:

New Horizons Communications Corporation respectfully requests that all parties be given a ten (10) day extension of time in which to file and serve exceptions to the proposed order herein, together with briefs and requests for oral argument. New Horizons has spoken to all parties and they do not object to an extension. The extension requested will permit all parties additional time necessary to address the issues raised in the order proposed by the hearing examiner. In as much as today is the deadline for filing exceptions, I would request that this extension request be considered by the Public Service Commission at its Agenda Meeting scheduled for Wednesday, May 16, 2007.

If you have any questions, please do not hesitate to contact me. My client and I appreciate the Commission's consideration of this request.

Sincerely,

ELLIOTT & ELLIOTT, PA
